

PARAQUA

# Training School

## Ecological processes involving zoosporic parasites

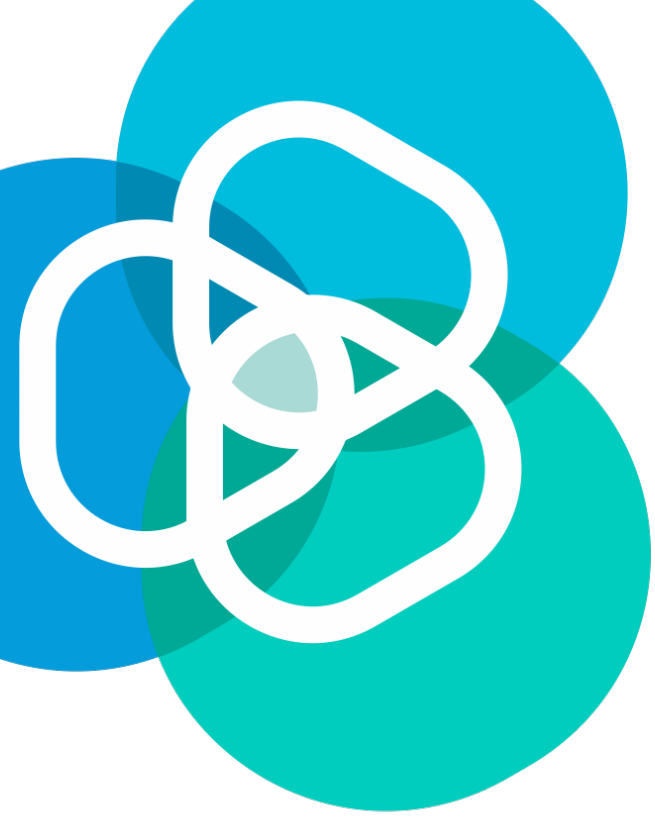

6-7 March 2025

Wageningen, the Netherlands

Organizers: Alena Gsell & Dedmer van de Waal

Funded by  
the European Union

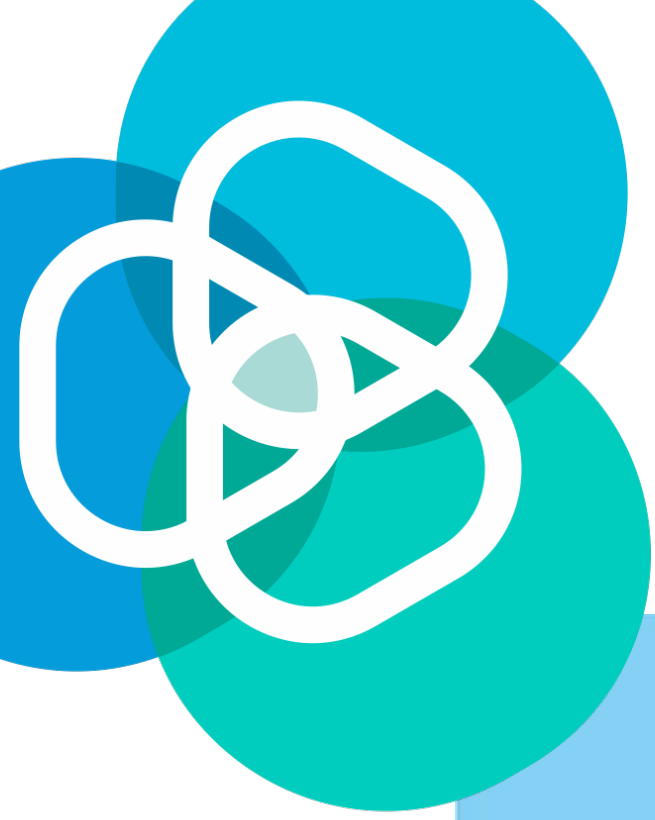

# Ecological processes and parasites

- 
- Eco-physiology
  - Food web interactions
  - (Eco)system functioning

Ecological concepts, technical advances and culture systems across scales

+ excellent Guest Speakers, Serious Game, NIOO tour and more...

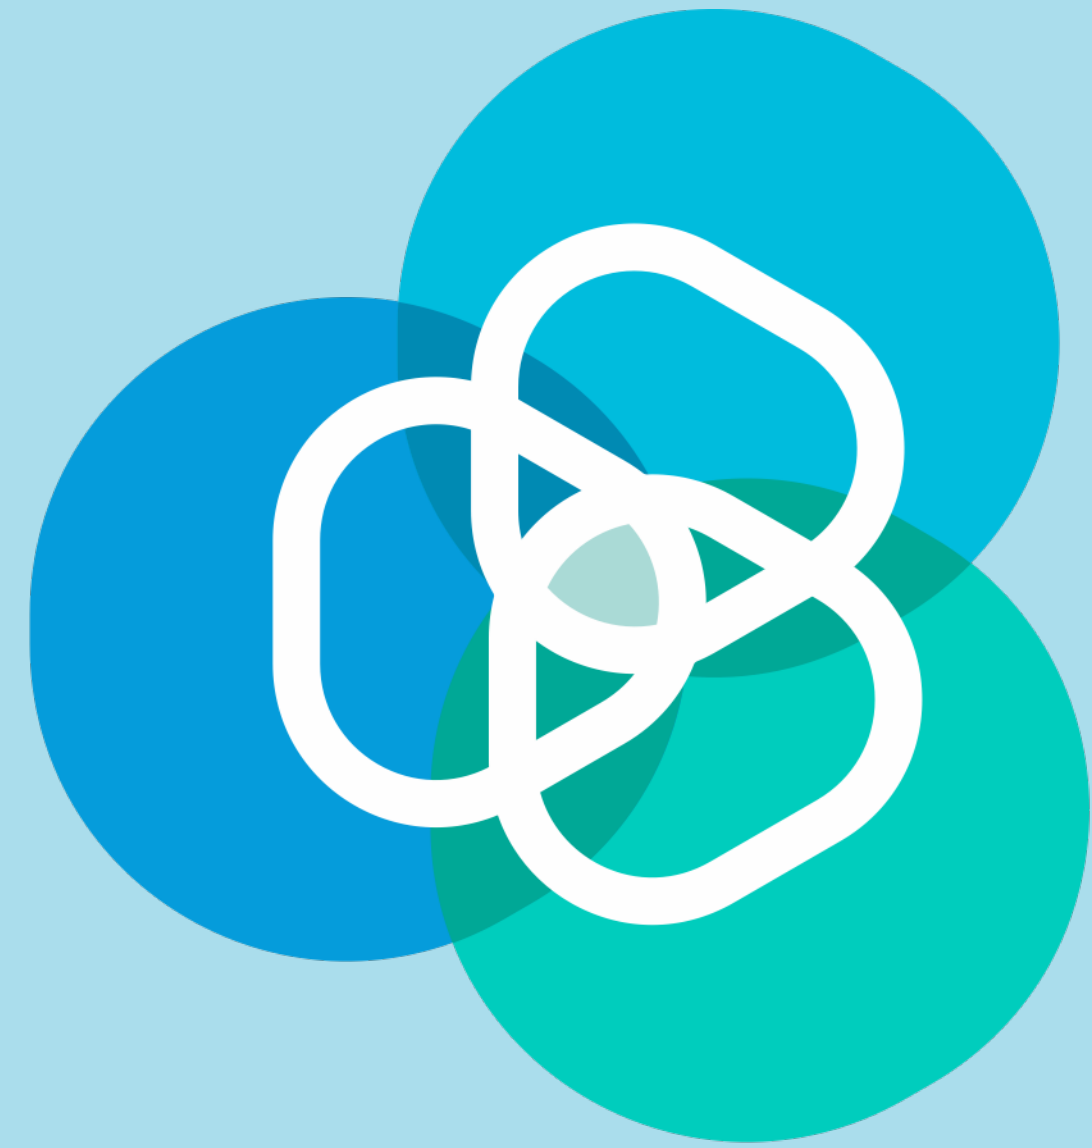

# Ecological processes and parasites

Netherlands Institute of Ecology  
Wageningen, the Netherlands

- Easy to reach (flights to AMS, trains + bus to Wageningen)
- Nice international town with good food (at least if it is not Dutch...)
- Connected to weekend (TIP: visit Amsterdam 😊)
